

ORGANIC ANTI-AGEING SHEET MASK

R&D 2018-18/D03-1
Available in single sachet

ExpoScore : 1.0
AppScore: AACAA

Claims & Competitive advantages

Instant lifting effect, and the skin is smoothed, plumped and toned after removal
99.5% of natural origin ingredients, 20% of organic ingredients
Easy to apply and to adapt to the face.
Pleasant fragrance.

With age, skin becomes slack, wrinkles start to appear and the complexion grows dull. The anti-ageing mask works deep down in the skin. It reduces signs of age and skin ageing. It helps to create a glow, and offers a firming action and a filling effect to smooth the skin. Regenerated skin!

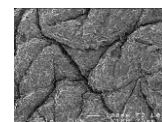

Key ingredients

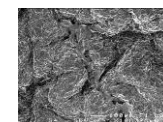

Active ingredient from the Iroise Sea marine environment. Aquatic flower, antioxidant that increases the synthesis of collagen and restores the skin's firmness and tone. Aloe Vera, anti-ageing action that prevents the development of free radicals and the appearance of wrinkles. Hyaluronic acid, activates the synthesis of collagen and inhibits enzymes implicated in the deterioration of collagen fibres for an anti-ageing effect

Efficacy & Harmlessness

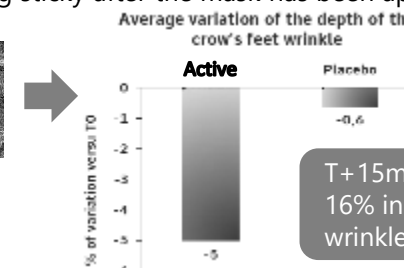

Anti-aging active with clinically proven effectiveness. It stimulates collagen and the work of the hyaluronic acid and instantly reduces wrinkles
Does not leave the skin feeling sticky after the mask has been applied

Before applying

After applying

T+15mins: up to -16% in depth of wrinkles

Mask sheet & packaging

100% natural biodegradable and compostable mask sheets:
- Organic cotton: for Cosmos Organic certification
