## Claims & Competitive advantages

Reduces signs of tiredness, and stimulates and tones the skin for a fresh and radiant look. The skin is less wrinkled, smooth and bright for an appearance with less drawn features.  
99.5% of natural origin ingredients, 20% of organic ingredients  
Instant comfort and pleasant fragrance  
Easy to apply and to adapt to the face.

**Insufficient sleep, a hectic pace of life, increased pollution, in just one day, the face sometimes appears to have aged several months. For a rested appearance, the anti-fatigue mask repairs marks left by time and attacks by external elements to correct signs of tiredness instantly for a fresh look from morning to evening. A renewed glow!**

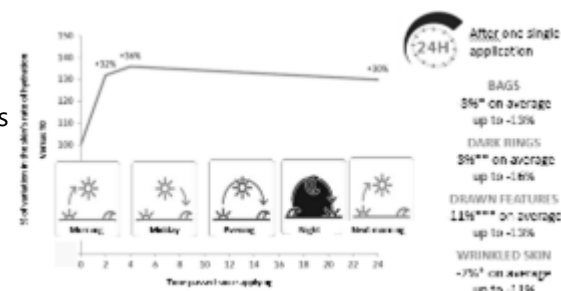

## Key ingredients

Anti-fatigue active with vegetal based taurine, associated with an active from microalgae. Aloe Vera, hydrating power that compensates for water loss in the skin. Rose floral water, helps to delay skin ageing. Hyaluronic acid, activates the synthesis of collagen and inhibits enzymes implicated in the deterioration of collagen fibres for an anti-ageing effect

## Efficacy & Harmlessness

Quintessential anti-fatigue active ingredient that offers an instant hydrating effect and eradicates signs of tiredness. Active from microalgae that protects the skin from the effects of UV light and increases the skin's density by accelerating the regeneration of skin cells. Does not leave the skin feeling sticky after the mask has been applied.

## Mask sheet & packaging

100% natural biodegradable and compostable mask sheets:  
- Organic cotton: for Cosmos Organic certification  
- Tencel for a gentle application, soft and with second skin effect.  
Packaging: single aluminum sachet.

## R&D stage

Ready to use formula.
